GTM Payroll Services Achieves 5th Consecutive Year on INC 5000 List of Fastest Growing Private Companies

AUGUST 30, 2011 – (Clifton Park, NY) – GTM Payroll Services Inc., a leader in the household employment and payroll tax services industry, achieves its fifth year in a row on *INC. Magazine's* recently released 2011 annual INC. 5000 List!

GTM earned this year's honor with over 31% increase in revenue from 2007 to 2010; landing the company at the 4,016 spot. The INC. 5000 placement, which is an honor roll of the 5000 fastest-growing, privately held companies in the U.S., comes less than a month after GTM was ranked among the Fastest Growing Companies in the Capital Region for the eighth consecutive year by *The Capital Region Business Review*. The company's continued growth solidifies its standing amongst leading entrepreneurial businesses in Upstate New York.

"We're proud of our team who has continually strived to exceed our clients' expectations. Their efforts have helped us to consistently grow our revenues and as a result, achieve this prestigious ranking for a fifth straight year," said Guy Maddalone, GTM Founder & CEO.

Over and above the company's continued growth, GTM collectively boasts more than 250+ combined years of payroll industry experience – including fifteen professionals with payroll certifications – as well as the company's SAS-70 Type II certification, to provide peace-of-mind to its clients through its audited management controls.

"As we also celebrate our 20th Anniversary is truly an honor to be recognized by Inc. once again," remarked Maddalone. "We look forward to our continued growth by serving our clients' needs the best we can and to being profiled each year by INC. alongside some of the nation's fastest-growing firms."

With more than 20 years of advocacy and service in the human resources and household employment industries, GTM has expertly guided thousands of clients throughout the U.S. with services for household employment such as "nanny tax", labor compliance, HR, and insurance needs.
