GTM proudly recognizes its newest FPC Certified Payroll Professionals

June 8, 2011 – (CLIFTON PARK, NY) – GTM Payroll Services Inc. – the fast-growing Clifton Park-based leader of payroll and human resource management for businesses and household employers – is pleased to recognize its most recently accredited Fundamental Professional Certification (FPC) professionals, as they further the company's mission of providing the highest levels of service and expert advice to its clients and partners.

Earlier this spring, GTM's Business Development Director, Theresa Anzenc, Corporate Partnership Manager, Stephanie Carpenter, and Business Client Service Representatives, Tonya Graham and Anna Vandenburg, each achieved their FPC designation.

The FPC designation is awarded to individuals based on comprehensive payroll knowledge, skills & abilities in the payroll profession; including operations, paycheck concepts, tax reporting and accounting, and professional payroll skills, and who continue to meet the requirements of the APA Certification Board.

Guy Maddalone, CEO of GTM Payroll Services, noted, "As a company, we are extremely proud of our employees' accomplishments and their desire to showcase their expertise through obtaining certification. Not only are they continuing to grow professionally, it enables them to provide a higher level of service to our clients."

GTM's experienced team of APA certified professionals and industry veterans are committed to providing clients with the best advice and service possible. Every team member leverages the company's shared knowledge, expertise and resources to ensure clients stay up-to-date with the latest in compliance and industry trends.
