GTM AWARDED BEST PLACE TO WORK IN THE CAPITAL REGION

CLIFTON PARK, NY – (November 19, 2008) – GTM Payroll Services Inc. - the fast growing Clifton Park-based leader in payroll and human resource management for businesses and household employers - has been named one of the 2008 Best Places to Work in the Capital Region by The Business Review.

The award recognizes GTM's achievements in creating a work environment that attracts and retains employees through a combination of an entrepreneurial culture, excellent benefits, and working conditions that promote individual and company success. GTM was selected as 1 of 30 companies out of 200 entrants, to achieve the recognition, based on the strength of its employee evaluations.

"From inception, we have worked very hard to make GTM a unique company which others would emulate," noted Guy Maddalone, GTM Founder & CEO of the 17-year old firm. "We are very proud to be recognized as a Best Place to Work because we believe our entrepreneurial culture is unique, our core values are being lived and our commitment to serve both our clients and employees is alive in the organization. Additionally, we are proud of our committed employees, and humbled to be recognized for this award."

Companies were evaluated on an objective 40-question survey completed by its employees. Employees scored their respective companies on a six-point scale. The results were compiled and analyzed by The Business Review's research partner, Quantum Market Research.

"Employees are proud to work for companies that are about more than business," said Mike Hendricks, Business Review editor. "And the results show how creating the right work environment can create powerful business advantages."

The survey took into account the following strategic measures: Team effectiveness; Retention; Employee alignment with company goals; Trust with co-workers; Individual contribution; Manager effectiveness; Trust in senior leaders; Feeling valued; Work engagement; and People practices.

"We work hard at attracting and keeping the most talented people at GTM. Being competitive and innovative is just two missions we strive for" said Anne Johnson, GTM HR Manager, "and it's satisfying to be recognized by the area's leading business journal for our efforts by being named one of the Best Places to Work in the Capital Region.

GTM Payroll Services will be profiled as a winner in an upcoming edition of The Business Review and will be honored at a celebration on December 4, 2008 in downtown Albany, New York.
