## **GTM MAKES PRESTIGIOUS 2008 INC. 5,000 LIST FOR SECOND CONSECUTIVE YEAR**

**CLIFTON PARK, NY – (August 20, 2008)** – Inc. Magazine announced that GTM Payroll Services' exponential growth has been acknowledged with a second consecutive Inc. 5,000 ranking among the fastest-growing private companies in the country.

A leader in the household employment and payroll and tax services industry, GTM Payroll Services' 99% growth over the last five years landed them at the 3,373 spot out of thousands of qualifying businesses.

Guy Maddalone, GTM CEO, commented "What's particularly noteworthy is the fact that GTM has continued to grow during the same period that many U.S. businesses and companies were either experiencing declining revenues or were no longer finding growth opportunities.

The Inc. 5,000 recognizes the fastest growing entrepreneurial companies who could be tomorrow's next Google, IBM or AT&T. Taken as a whole, these companies represent the backbone of the U.S. economy. "The Inc. 5,000 provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part," said Jim Melloan of Inc. magazine.

"This is an exciting time for us as we approach almost 20 years in business," noted Maddalone. "We are pleased to have been acknowledged by such a well-respected media outlet as Inc. and look forward to our continued growth."

To further accelerate its growth, GTM has added more staff to handle the demand coming from larger clients and corporate partnerships with CPA firms, banks, insurance brokerages, and domestic employment agencies.
