WORKING FOR THE BEST

GTM recognized for second year among The Best Places to Work in the Capital Region

CLIFTON PARK, NY – (November 18, 2009) – GTM Payroll Services Inc. – the fast growing Clifton Park based leader of payroll and human resource management for businesses and household employers – has been recognized for the second consecutive year as one of the 2009 Best Places to Work in the Capital Region.

"We are pleased that in addition to the accolades of being one of our region's Fastest Growing Companies and an INC 5000 company, GTM has once again been recognized by our employees as a Best Place to Work," noted Guy Maddalone, GTM Founder & CEO of the 18-year old firm.

Since the 2008 recognition, GTM has undertaken initiatives to further reinforce those qualities that the company believes its dedicated team holds in the highest regard; including enhancements to benefits packages, new partnerships with regional businesses, increased concentration to enhancing on-going training programs, and providing industry certification opportunities for employee development.

"We believe our company and employees' core values are aligned; and our commitment to ecstatically serving our clients is alive in the organization. Our committed employees continue to push themselves in order to provide the best experience for our clients and co-workers alike," commented Maddalone.

The award recognizes GTM's achievements in creating a work environment that attracts and retains top quality employees through a combination of an entrepreneurial culture, excellent benefits and working conditions that promote individual and company success. The results were compiled and analyzed by The Business Review's research partner, Quantum Workplace. GTM was selected as 1 of 30 companies, out of approximately 200 entrants, to achieve the recognition based on the strength of its employee evaluations.

"We work hard at attracting and keeping the most talented team at GTM. Being competitive and innovative are just two missions we strive for," said Anne Johnson, GTM Human Resources Manager, "and it's rewarding to be recognized for our efforts by being named one of the Best Places to Work in the Capital Region."

GTM will be profiled in an upcoming edition of The Business Review and honored at a celebration on December 3, 2009 in downtown Albany, New York.
