High Praise For GTM Payroll Services

GTM named a Best Employer for third consecutive year

CLIFTON PARK, NY – (November 15, 2010) – GTM Payroll Services Inc. – the fast growing Clifton Park based leader of payroll and human resource management for businesses and household employers – has been recognized for a third consecutive year as one of the 2010 Best Places to Work in the Capital Region.

“To be recognized for a third straight year by our employees validates that we are doing the right things, both for our employees and for our clients,” noted Guy Maddalone, GTM Founder & CEO of the 19-year old firm.

GTM also continues to thrive with continued growth during difficult economic times. “We are pleased that in addition to being a Best Places To Work company, we’ve also been named among our region’s Fastest Growing Companies as well as an INC 5000 company for four years in a row,” commented Maddalone. “This honor is a testament to how we treat our employees and by doing so how it improves our chances for overall success.”

GTM has furthered its initiatives to enhance the company’s benefits packages and continued education programs; while continuing to provide the resources and tools necessary for successful outcomes for the business.

The award – which recognizes GTM’s achievements in creating a work environment that attracts and retains top quality employees through a combination of an entrepreneurial culture, leadership direction, excellent benefits and working conditions that promote individual and company success – is truly an accolade given by the company’s employees. The results of the employee survey were compiled and analyzed by The Business Review’s research partner, Quantum Workplace. GTM was selected as 1 of 30 companies, out of approximately 108 entrants, to achieve the recognition based on the strength of its employee evaluations.

“GTM strives to attract and retain the most talented individuals by offering a great work environment,” said Anne Johnson, GTM Human Resources Manager. “We hold our employees to the highest standards, and are honored that they in turn feel that we have exceeded their expectations once again.”

GTM will be profiled in an upcoming edition of The Business Review and honored at a celebration on December 3, 2010 in downtown Albany, New York.
