## **THIRD TIME'S THE CHARM**

### **GTM Makes Prestigious 2009 INC 5000 List For Third Consecutive Year**

**CLIFTON PARK, NY – (August 17, 2009)** – Inc. Magazine announced that GTM Payroll Services' exponential growth has been acknowledged with a third consecutive Inc. 5,000 ranking among the fastest-growing private companies in the country.

The most comprehensive look at the most important segment of the economy – **America's independent-minded entrepreneurs** – the Inc. 5,000 List of companies represents the backbone of the U.S. economy.

A leader in the household employment and payroll and tax services industry, GTM Payroll Services' growth over the last six years has landed them at the 3443 spot out of thousands of qualifying businesses.

We've built a solid foundation based on a few core values, innovative thinking and putting service to our customers first," noted **Guy Maddalone, GTM CEO**. "We are honored to be recognized by such a well-respected media outlet as Inc. for the third time in as many years." Maddalone continued, "With just under half of the list being repeat honorees, GTM's third consecutive ranking is very rewarding. We look forward to our promising future, and to providing cost-effective and needed services to our clients."

The Inc. 5,000 recognizes the fastest growing entrepreneurial companies who could be tomorrow's next Google, IBM or AT&T. "The Inc. 5000 gives an unrivaled portrait of young, underreported companies across all industries doing fascinating things with cutting-edge business models, as well as older companies that are still showing impressive growth," noted Jim Melloan of Inc. magazine.

In 2009, GTM was ranked among the Top 5 Fastest Growing Companies by the *Capital Region Business Review* for the sixth consecutive year, and in 2008, was honored among the Best Places to Work in the Capital Region.
